The full version includes additional points, such as, the rights you have to access your information including what decisions you can make about your information, for how long the School retains your personal information and our legal bases for using your personal information.

The School's primary reason for using your personal information is to provide educational services to your child, and to alert you to our services.

We set out below examples of the different ways in which we use your personal information and where that personal information comes from.

- We obtain information about you from admissions forms and from your child's previous school. We may also obtain information from professionals such as doctors and from local authorities about your child.
- We will have information about any family circumstances which might affect your child's welfare or happiness.
- We will process financial information about you in relation to the payment of fees. In some cases, we get information about you from third parties such as credit reference agencies or from your child's previous school(s).
- We may take photographs or videos of you at School events to use on social media and on the School website. This is to show prospective parents and pupils what we do here and to advertise the School. We may continue to use these photographs and videos after your child has left the School.

- We will send you information to keep you up to date with what is happening at the School. For example, by sending you information about events and activities taking place (including fundraising events) and the School newsletter.
- We will keep details of your address when your child leaves the School, so we can send you a copy of relevant information relating to the School and associated organisations, the Sedberghian and find out how your child is progressing. We will also pass your details onto the alumni organisation which is called the Old Sedberghian Club. Further information on the alumni association can be found here [www.osclub.sedberghschool.org](http://www.osclub.sedberghschool.org)
- We may also pass your details on to:
  - The Foundation (the fundraising arm of Sedbergh School) - [www.sedberghschool.org/senior/Information/Foundation](http://www.sedberghschool.org/senior/Information/Foundation)
  - Sedbergh School Developments Limited

In some situations, we may need to share your information with third parties. For example:

- In fulfilling our legal obligations, on formal request, we will share information with local authorities, the Independent Schools Inspectorate / Ofsted, and the Department for Education, for example, where we have any safeguarding concerns.
- If you have unpaid fees while your child is at the School, we may share information about this with other schools or educational establishments to which you intend to send your child.
- On occasion, we may need to share information with the police, our legal advisors, and our insurers.

The Deputy Bursar (Governance & Compliance) is the person responsible at our school for managing how we look after personal information and can answer any questions which you may have about how we use your personal information.
