Dear Parent

Every one of us at Sedbergh is enormously proud of our School; what it stands for and all that our pupils achieve.

Our purpose is to ensure that Sedberghians have the skills and qualifications to compete with the best, the resilience to thrive under pressure and the attitude to capitalise on the opportunities that lie before them. These are the essential qualities which our children require as they face the challenges and opportunities of the future.

We know that our children will best flourish if they lead rich and varied lives to develop the fullest range of their talents to the optimum. Thus we are proud of the range of our curriculum, our sporting and musical heritage and the extraordinary breadth of our extra-curricular provision. Set on the boundary between the Yorkshire Dales and Lake District National Parks, there are few such inspirational places to live, work and learn.

We believe that our setting, our values and our commitment to full boarding make our School truly unique. Only in a true boarding community is it possible to find such a full and varied education where staff and pupils work together; 24 hours-a-day, seven days-a-week. Sedbergh is a forward-looking boarding School which provides the time and space to inspire interests and nurture friendships which will last a lifetime.

We delight in the diversity of our pupils who bring a richness of experience and enthusiasm to Sedbergh and challenge us to find a niche in which every individual may excel and be valued for all that they achieve in every sphere. The self confidence that this engenders enables pupils to capitalise on new situations and challenges. It also generates the humility to acknowledge the success of others, the compassion to support those who encounter difficulties and maturity so that our pupils take responsibility for themselves. Sedberghians may be confident, but never arrogant.

We expect our pupils to leave Sedbergh as complete young adults, secure in themselves, focused on a path for the future and with the confidence to make wise decisions that enhance their lives and the lives of those around them.

The Admissions Policy gives full details of the Governors' requirements and policy of the School with respect to a pupil's admission and is issued to all parents prior to their son's or daughter's entry to Sedbergh.

A pupil is admitted upon condition that their parents or guardians agree in writing to accept the School's Terms and Conditions. Parents should please refer to the Terms and Conditions as much as possible as these form the contract between you - the parent - and the School. The rest of the handbook is not contractual but provided by way of information. The Terms and Conditions may be amended from time to time, and their provisions, subject to any such amendments, will continue to apply throughout the period a pupil is attending the School, regardless of their age.

The published School Rules form part of this commitment; these are displayed on School Notice Boards, and a copy is sent to all parents before a pupil comes to Sedbergh.

With best wishes for a most successful and rewarding experience at the School.

Andrew Fleck  
Principal

## School Mission Statement

To nurture each Sedberghian so that they realise their full potential in a unique and rigorous environment of excellence; characterised by committed endeavour, moral purpose and integrity of contribution.

The School will:

- a) Identify and develop the potential of its pupils in a variety of areas: academic, artistic, cultural, sporting, personal, social and spiritual; secondly, help them to obtain the best possible qualification; thirdly, prepare them for the opportunities, responsibilities and experiences of life
- b) Provide a welcoming, friendly and supportive environment which recognises the worth of each individual within the collective boarding atmosphere of the School;
- c) Provide a fulfilling working environment for its staff, both teaching and non-teaching, and encourage their development;
- d) Liaise closely with the parents of its pupils and encourage them to share in the life of the School and the House.

## Boarding Principles

Sedbergh's pastoral care and belief in timeless values creates an unrivalled provision for boarding. As a truly full boarding school, Sedbergh prides itself on the lifelong relationships and friendships forged within the boarding houses. Pupils are afforded the opportunities to develop ambitions, resilience, tolerance and community living in a house supported by House Staff who recognise and celebrate achievement. Sedbergh's boarding believes in the development of discipline within a modern framework of concern for others with a focus on the Christian values of compassion and humility.

Sedbergh's houses maintain the heritage of the School and allow Sedberghians to feel part of a greater picture of history; they live and work in a house safe in the knowledge that thousands of Sedberghians have passed before them with the same values, ethos and understanding of the beauty of the landscape in which they are situated. The unique house dining structure allows for the development family culture within the wider school structure. Pupils are challenged, removed from their comfort zones and supported as they venture into activities, new academic spheres and new ambitions. Sedbergh's boarding provision makes pupils brave enough to challenge themselves.

## COMMUNICATION WITH HOME

Parents will always be informed of any matters of concern and should feel free to let us know of any concerns they may have - and encourage their son or daughter to do likewise. Housemasters and Housemistresses are always willing to meet with parents informally or by appointment for a private discussion.

The level of informal communication between staff and parents is naturally high for many parents, but we acknowledge that there are some who are unable to visit frequently. Therefore, communication through email or by Skype or phone calls should ensure that parents are kept up to date with the progress and welfare of their son or daughter.

Pupils can telephone home when they are not involved in School Activities during the day or evening. Communication can also be made via email or Skype. However, parents should avoid situations whereby a son or daughter becomes overly reliant on communication with home, to the detriment of settling in and joining in activities in School and the House.

There are rules about pupil's use of mobile phones around School and in the Boarding Houses (see School Rules)

## EXEATS

Exeats (permission to stay out of School overnight Saturday) should be taken outside Sedbergh.

Sedbergh School operates a flexible exeat system in order to reflect the importance that families attach to choosing which weekend pupils take exeats. From September 2019, Sedbergh will also accommodate an expressed wish for longer exeats by arranging two long weekends (one either side of half term) in each of Michaelmas and Lent Terms when there will be a lighter programme of activities with no fixtures or concerts. These longer weekends will coincide with exeat weekends at Sedbergh Prep School. On these weekends pupils may go on leave from 11.30am on Saturday, returning at 8pm on Sunday evening or by 7.30am on Monday morning. For pupils who remain in School on those weekends there will be a different programme of activities to take advantage of the time available. Exeats taken on different weekends will start after Saturday fixtures or activities have finished, returning at 8pm on Sunday evening.

It is advised that Pupils may take one Exeat per half Term. Parents must request an Exeat for their son or daughter in writing/e-mail from the Housemaster/Housemistress at least forty-eight hours in advance. Some weekends may be debarred from Exeat requests. Pupils may only take an Exeat provided they have no official School commitments.

Sedbergh's curriculum time is matched to the demands of exam courses; Saturday morning lessons represent over 10% of the teaching time. Further, much of the value of a Boarding School education comes through the weekend extra-curricular programme. Our programme was judged to be "exceptional" by the Independent Schools Inspectorate in May 2017. Alongside traditional and individual sports, a range of adventurous activities are included, the Music, Design and Art Departments are open, and we have recently introduced visits to important cultural centres and cities.

Parents are asked that requests for time out of School on other occasions is kept to a strict minimum although it is recognised that in all families there will occur, from time to time, events which it is proper for the whole family to attend. Applications for time out of School are made, in the first instance, to the Housemaster/mistress.

## **VISITING**

Parents and guardians are most welcome to visit the School during term time. Every parent is given a copy of the School Calendar at the start of each term; this contains details of Chapel Services, sporting fixtures, concerts, plays and other events. The support of parents and guardians is most welcome at any major School occasion. Parents should seek permission from Housemasters/Housemistresses before taking their child out.

In planning the timing and frequency of their visits parents and guardians should bear in mind that a large number of worthwhile voluntary activities take place at weekends at a boarding School, as well as time being available for academic study. Too frequent a visiting programme may inhibit a pupil from taking full advantage of the opportunities available. Housemasters/Housemistresses will be happy to offer guidance in individual cases.

## **POCKET MONEY**

Pocket money is not issued to a pupil by the School. An allowance from a parent to their son or daughter of about £50 per half term is quite sufficient. A pupil may lodge this money with their Housemaster/mistress for safe keeping and can draw on it as required. Whilst at School, the possession by a pupil of their own cheque book, Bankers Card or any other Credit Cards remains entirely the responsibility of the pupil and his or her parents. At present there are two cash point machines in Sedbergh located outside the Spar Supermarket and towards the far end of Main Street.

Overseas pupils who need to open a UK bank account will need to make arrangements with their Matron in-House, as the nearest bank branches are in Kendal. A letter will need to be obtained from the Bursary confirming residence.

## **PORTABLE ELECTRICAL EQUIPMENT**

Please refer to the School's Electrical Rules contained in the Health and Safety Policy. The School cannot take any responsibility for injury or damage caused by defective private equipment used in the School; it is not covered by the School's insurance.

## **CHAPLAINCY**

The Chaplaincy Team at Sedbergh School is led by The Chaplain, The Revd. Paul Sweeting. The Assistant Chaplains are Mrs Philippa Prall (Senior School) and Mr Dick Gorst (Prep School). All of the Chaplains are available to talk about a pastoral matter. They are available to pupils, and parents are welcome to contact them regarding their child. Their emails (and phone numbers) are [pls@sedberghschool.org](mailto:pls@sedberghschool.org) (07857 500 240), [pjfp@sedberghschool.org](mailto:pjfp@sedberghschool.org) and [rtg@sedberghprep.org](mailto:rtg@sedberghprep.org) (07870 895 054).

## **SIXTH FORM BAR**

The Bar is supervised and is open on Saturday evenings from 8.00pm until 10.00pm, for use by members of the Sixth Form whose parents have returned a signed membership form for their sons and daughters to use the sixth form bar. The Sixth Form Bar membership form is included in the 'Forms' folders of the Parent Handbook on the school website and should be returned to the pupils Housemaster / Housemistress before the start of term. Lower Sixth pupils are allowed two pints of beer, lager, cider or two glasses of wine. Upper Sixth pupils are allowed three pints of beer, lager, cider or three glasses of wine.

Pupils should abide by the Alcohol, Tobacco and Vaping Policy at all times.

## **VISITING LICENSSED PREMISES ON SATURDAYS**

Pupils may visit licensed premises with their parents after 5.30pm on a Saturday if they have permission from their Housemaster / Housemistress in the form of a 'leave out' (red) card. Pupils must report to their Housemaster / Housemistress within 10 minutes of leaving licensed premises; and all such premises are to be vacated by 7.30pm. Uniform must be worn at all times and pupils who consume any alcohol on these visits, will not be given bar chits for the Sixth Form Bar that evening.

Pupils will not be given permission to consume alcohol before any of Sedbergh's whole school Saturday socials.

In exceptional circumstances, a Housemaster / Housemistress may allow a pupil to visit licensed premises with the parents of another pupil. In such circumstances, pupils must have permission in the form of a red card from his or her Housemaster / Housemistress. The guest is the responsibility of the parent at all times and the above rules apply.

## **BALLS & DINNER PARTIES**

Sedbergh pupils will have numerous opportunities to attend various Balls and Dinner parties during term time. At these events, pupils in the Sixth Form will have access to beer or wine during dinner, but not before or after the meal has finished. Pupils attending such events will not be given permission to attend licensed premises before the event.

## **IN ALL CIRCUMSTANCES THE LAW OF THE LAND MUST BE OBSERVED**

### **SANCTIONS**

- Pupils caught breaching these guidelines on alcohol can expect appropriate sanctions to be applied. Pupils who drink excess alcohol can also expect to lose the right to visit Public Houses and/or the Sixth Form Bar in future.
- Due to the seriousness of the potential consequences, pupils found to have brought spirits into school or drunk spirits during term time are liable to suspension from School.
- Any pupil caught smoking will be put in the following Saturday night detention.
- Due to the ease with which vaping equipment can result in harmful addictions or potentially be used to access illegal substances, pupils found to have brought vaping equipment into School, are liable to a Headmaster's Gating or for repeat offenders, a suspension.

## LAPTOPS AND TABLETS

As technology evolves Sedbergh continues to actively develop our IT systems, considerable investment has been made this year to ensure we can meet the ever increasing demands of our pupils in the future. We have increased our broad band provision to 500Mb/s and have upgraded many of the switches and fibre links around the school site to ensure a fast reliable service.

Wi-Fi is available in all classrooms in School and we have recently expanded the provision in boarding houses to the point where all areas have coverage. It is important to note that all pupils have a wired connection in their study bedrooms and Wi-Fi is not intended to replace this.

All our pupils personal work files are held in the cloud enabling them to access these or other school resources anywhere in the world.

All pupils at Sedbergh should have a laptop to allow them to work in House and also to enable them to access IT facilities in Class. This is now accepted practice and will continue to grow as both pupils and teaching staff make increasing use of the wide range of resources available for teaching and learning.

'Tablet' technology continues to grow in popularity and can be useful for note taking in class and accessing web based resources. However for certain applications such as extended essay writing or using subject specific software they are not the appropriate technology. We would certainly encourage their use, but only in addition to a pupil owning a laptop.

We endeavour to support all operating systems less than two years old; and our aim is to produce a platform-agnostic environment at the school so pupils are free to purchase any device they choose. We do request that all pupil devices are clearly marked with their name for obvious security reasons and to simplify administration for our IT support team.

The IT department cannot offer specific advice on brands or models of computers however we have drawn up a suggested minimum specification for pupils with existing machines; 'Basic Specification' and a 'Recommended Specification', to help any parent considering purchasing a new machine for September 2018. We would suggest that any pupil owning a machine that does not meet the basic specification should strongly consider upgrading.

### Basic Specification

Operating Systems	Windows 10 Mac OS Sierra
Hardware	Intel Core i5 8GB-16GB RAM 250GB-500GB Hard Drive
Software	Microsoft Office 2016. Pupils can of course download MS Office 365 with 2016 versions free under our Education license.

### Recommended Specification (Optimal)

Operating Systems	Windows Mac OS Mojave	10
Hardware	Intel 16G-32GB 1TB Hard Drive	Core i7 RAM
Software	Microsoft Microsoft Publisher (only for those taking Design Technology at GCSE or above)	Office 2016

Due to the licensing deal the school has with Microsoft it is now possible to download MS Office for free and install it on up to 5 devices. It is tied to the user's school email address, and as such will stop working shortly after a pupil leaves Sedbergh. This version includes Publisher on Windows based machines. For new pupil's IT support sessions are provided shortly after arrival as email addresses cannot be issued in advance.

To download it, go to <https://portal.office365.com>, log in with the relevant school email address. Click on the 'cog' icon in the top right, select 'Office 365 Settings', and then 'Software'.

Windows machines need to have an up to date Anti-Virus program installed before connecting to the School network. Microsoft Security Essentials/Defender is perfectly adequate and causes the least conflicts with other software, it is NOT necessary to buy another specialist product. Accepted alternatives include the latest versions of: AVG, Avast, Kaspersky, McAfee, Norton, Panda and Sophos.

Microsoft Security Essentials is offered freely at:

<http://windows.microsoft.com/en-GB/windows/products/security-essentials>

Defender comes already installed on any Windows 8 machine or later

Pupils must ensure they have loaded the latest update of their chosen Anti-Virus software **within 48 hours before arrival at Sedbergh** otherwise it is likely the network will prevent them from joining.

Be aware of 'Free 60 Day Trials' of certain products that come preloaded on new machines, after 60 days unless you pay for them the machine is no longer protected and will be rejected by our network. You are advised to uninstall them.

We look forward to continuing to introduce new innovations to our teaching and will aim to continue to provide pupils with the access to a reliable, fast, and secure IT network.

For Pupils Resident Overseas: In addition to the standard advice given, there are a couple of ways you can help to ensure your child is able to access the services available at Sedbergh quickly and smoothly.

The start of the year can be very busy for IT support and it is not always possible to help every child immediately. We are aware however of the importance in the modern world of being able to communicate electronically, and of course that this is doubly so in the case of children from overseas.

What you can do to help:

- Please ensure they have updated their virus protection shortly before they arrive at the school – ideally within 48 hours prior to arrival. Our systems will scan their machine and it is a time-consuming process to install up-to-date software if they fail this security check. Please see the earlier advice for acceptable packages.

- Please change the 'Display Language' to ENGLISH on your child's computer operating system. Our technicians are unable to read languages other than English; this can slow down support considerably for both the pupil concerned and others if staff have to guess their way through menu options. To do so you may just have to 'click' on English as an option or download a 'language pack' from the web; in extreme cases the purchase of an English version of the operating software may be required. Step by step advice can be found on the internet for whichever version of operating software they own. Children can be understandably reluctant to have their computer language changed, but it is worth reminding them that it will help improve their English as well as being a useful life skill, and it enables their peers and teachers to help them in class.
- Please ensure your child has an adaptor(s) that enables their charger(s) to plug into the British 3 pin mains electricity supply. These are easy to purchase in most airport duty free shops or are available online.
- We have occasionally encountered pupils who have been given by their parent's old laptops but do not know the passwords that enable settings to be changed or software to be installed. Due to time differences it can be difficult for us to contact overseas parents promptly to resolve these issues. Please ensure if you are handing down equipment that all passwords have been removed or pupils know them, rather than just creating a new user account (i.e. one without administrator rights).

Parents should be aware that whilst we will always do our very best to offer support, help, and guidance to pupils we do not offer hardware repairs or install replacement components. We have a very limited stock of short-term loan machines to cover accidents and breakages; but cannot guarantee to provide one at all times or for extended periods. Ensuring that a pupil's equipment is covered by appropriate worldwide accidental damage/repair insurance may be worth considering if it is particularly valuable.

We would advise that laptops/tablets are very well protected during transit and that pupils have a protective bag/case to carry them in for day to day use.

We look forward to introducing new innovations to our teaching in September and will aim to continue to provide pupils with access to the reliable, fast, and secure IT network.

## MUSIC & INSTRUMENTAL TUITION

There is a long and proud tradition of Music making at Sedbergh and it is as strong now as it has ever been. There are more than twenty ensembles at Sedbergh, including our Chapel Choir, Symphony Orchestra, Concert Band, Big Band – in addition to a host of other ensembles including chamber groups. Half of the pupils at the school receive tuition from a team of highly qualified, experienced and dynamic musicians who also train many of the ensembles and bring their professional expectations to the department.

There are three full time members of staff who deliver the curriculum and train the other ensembles. Performance opportunities pitched for all levels are in abundance, and pupils have the chance to perform to the school, wider Sedbergh community and beyond. Recent international tours have included trips to Italy and the USA.

Starting a new School is an ideal time to explore new musical opportunities. Sedbergh also strongly encourages pupils to cement and develop existing talents. It is very important to continue musical studies as soon as pupils arrive at the School; new routines are best established at the beginning of the academic year.

*Should you wish to cancel music lessons at any point, please note that there is a notice period of a full half term. This means that notice must be given either a) before the beginning of term for lessons to stop at half term, or b) before the second half of term for lessons to finish at the end of that term. Written notice must be given to the Director of Music ([cfja@sedberghschool.org](mailto:cfja@sedberghschool.org)).*

A request form for Music lessons is included with the Admissions Forms.

Expert instrumental tuition is offered on a broad range of instruments, including all orchestral instruments, piano & organ and bagpipes. For further advice, please contact Mr Chris Allinson, Director of Music, Guldrey Lodge, Station Road, Sedbergh, LA10 5DL (Tel 015242 79224, e-mail [cfja@sedberghschool.org](mailto:cfja@sedberghschool.org)).

## **SPORTS, ACTIVITIES & SOCIETIES**

In the first year in the Senior School, pupils are encouraged to try as many Sports and Activities as possible. Further, pupils are encouraged to take up hobbies and activities in their own time and members of staff are on hand to assist.

### **SPORTS**

Pupils participate in an organised games programme every weekday afternoon except Thursday. This is appropriate to their age, aptitude, and the season of the year and ample time is also available for them to continue with indoor or outdoor pursuits on a voluntary basis.

Michaelmas Term: the major boys' sport is Rugby and for girls it is Hockey – plus, as every term, a wealth of other sports are offered to those who wish to pursue a mixed games programme or who do not wish to play the main sports.

Lent Term: a wide range of competitive sports is on offer, the emphasis for boys is placed on Hockey, Running and Rugby Sevens, and for girls on Netball and Running.

Summer Term: the main sports are Cricket, Athletics and Tennis for both boys and girls.

In all competitive sports the level of coaching is to a high standard and all students are given the opportunity to take part in competitive sport at all levels of ability.

### **ACTIVITIES**

Thursday afternoon is given to Activities.

Pupils in Year 9 follow an outdoor pursuits programme throughout Michaelmas term; then participate in CCF, conservation or other (mainly outdoor) activities through Lent and Summer terms.

Year 10 and 11 pupils may continue with CCF, take up Duke of Edinburgh Silver Award, do voluntary work or participate in a range of activities – both outdoor and indoor – from mountain biking to cookery club.

Sixth Form pupils may continue with CCF, work towards the Duke of Edinburgh Gold Award, or, as with Year 10 and 11, participate in a wide range of outdoor and indoor activities.

Pupils are also encouraged to take up hobbies and activities in their own time and members of staff are on hand to assist. The Art & Design Centres are open for individual use on half-days and weekends. Society meetings take place mid-week during the evenings.

A full recreational and social programme operates at weekends and rehearsals take place on half-days and weekends.

### **EXPEDITIONS**

Expeditions are organised for those in the CCF as well as those who complete the Duke of Edinburgh Award Scheme. Major expeditions are taken most years led by our staff, and have recently included Bolivia, Kenya, Madagascar, Malawi and Nepal.

Year 10 visit the Battlefields of France each summer.

Year 9 attend an Outdoor Pursuits camp.

## CODE OF CONDUCT FOR SPORT

Sedbergh School is extremely grateful to parents and supporters for their ongoing and valuable support for the numerous sporting fixtures and events throughout the year. It is worthwhile providing a gentle reminder of Sedbergh's sporting ethos and our joint responsibility to uphold the core principles in terms of attitude and behaviour before, during and after each sporting event.

Match day is inevitably an exciting occasion for all but when the stakes are high it can become a highly charged affair and occasionally emotions have run out of control.

Our aim is to provide a sports programme that is based on positive, life changing ideals. We believe in the development of the whole child, the fostering of an 'active life' philosophy and the promotion of a lifetime investment in sport and physical activity. This sporting ethos celebrates enjoyment, equality of access, breadth of participation and excellence both on and off the fields.

In order for our ethos to be upheld and our sports programme to be truly successful it takes the co-operation of all involved; players, coaches, officials, staff, spectators and parents. Having spent some time and effort over the previous-years reinforcing our sporting ethos amongst the pupils, I believe it is essential that we include parents and friends of Sedbergh in this process.

The following points clarify what Sedbergh believes to be essential standards associated with its sporting culture. In effect, it is a code of conduct for supporters but is intended to include you rather than alienate you. I hope you will receive it in the manner in which it is offered.

### **The Role of Parents**

Parents and guardians have a responsibility to help the school in ensuring their child gets the most out of his or her playing experience. Parental support should always include positive reinforcement of both your child's performance and of their efforts. This is essential to encourage strong self-esteem and a healthy development in general. We ask parents to be positive role models, including the display of sportsmanship and the notion of fair play and by avoiding negativity of any kind. It is not acceptable for anyone to ridicule or chastise their child or others for making a mistake or for losing a game. Parents should encourage children to play according to the rules at all times.

### **Parent-Coach Alliance**

The entire coaching Staff is wholly grateful for the support, encouragement and assistance that many parents provide, often driving long distances and rearranging busy schedules to cheer on the team on a regular basis. It is essential however that all parents and guardians agree to support their respective coach's decisions (even in the event that they do not fully agree with them)

Please refrain from.....

- Entering the playing arena at any time,
- Airing any grievances relating to any aspect of the game regarding the players; the coach or officials whilst in the presence of our pupils or our visitors.

All parent- coach dialogue should be non- confrontational and constructive in its content.

The Coach's judgment on issues such as selection must be accepted as final. However well you know your son or daughter, you cannot share the same overview of the whole team. The coach is best suited and entirely qualified to take all factors into consideration and make the right decisions for the team as a whole. Parents will not take part in any coaching of our sports teams at Sedbergh.

## **Parent to Parent Respect**

Parents and spectators have a responsibility to other parents and spectators. Competition and taunting between parents is never acceptable, and no parent/spectator should ever be made to feel embarrassed or disappointed by their team or child's performance. Good play should always be applauded, and disappointments should always be consoled. Remember that children learn best by example and praise should be bestowed on the efforts of both teams.

Parents/Spectators have a responsibility to themselves. The joy and pride associated with watching children learn and grow through sport should be experienced to the fullest, because life-long memories are being created before your eyes.

Your children play sport for many reasons. Ultimately we wish them to foster a feeling of self-worth/respect. Please help this endeavour by focusing on your child's efforts and personal achievements rather than purely on whether they win or lose.

I will close by reinforcing the message I started with. Sedbergh parents, friends and supporters play an essential role in maximising the success of our sport. I look forward to working with you to ensure this.
