Casterton, Sedbergh Prep School 11+ Scholarship Assessments for entry in September 2022 to Year 7

All candidates will have an interview with a member of the School's Management Team and will undertake online aptitude tests.

All candidates are welcome to stay overnight in a boarding house and the Housemaster or Housemistress will provide an observational report to the Headmaster as part of the assessment.

NB: Assessments will take place in line with Coronavirus Covid 19 guidelines. In some cases, it may be necessary to request references in order to complete the scholarships.

Please tick the boxes to identify which of the following Scholarships you are applying for:

Academic

In addition to an interview and an online aptitude test, candidates will also sit standardised tests based upon the national curriculum in:

- English
- Mathematics
- Science

Candidates will also select an essay question based on critical thinking and philosophy, demonstrating their capacity for creativity and rational thought.

Subject Specific Scholarships

In addition to an interview and an online aptitude test, the assessment will also include practical/technical work in each subject chosen.

Please indicate subject choice/s by ticking below:

Art* Design Technology & Engineering* Drama Music** Sport**

* *Portfolios of work will contribute to the assessment of Art and DTE scholarships.*

** *Candidates offering Music and/or Sport must complete the following Music/Sport Additional Information Form/s.*

Candidates who offer excellence in two or more fields will be automatically considered for an All-Rounder Award, although a discipline-specific Award may still be made on the strength of any single component.
