SPORT AND ACTIVITIES - SOCS

The Sports and Activities offered at Sedbergh are a valuable part of the education we offer. It is understandable, therefore, that you would want to know what your child is involved in, when they have fixtures you might watch, and the activities they have signed up for.

There are two ways in which you can access this information, detailed below:

1. Sport fixtures and team sheets from the website...

If you visit the page below on your laptop or PC you will see the Calendar, Fixtures and Results for all sports. <https://www.sedberghschoolsports.org/>

The screenshot shows the website interface for Sedbergh School Sports. At the top, there is a navigation bar with the school name and 'SPORTS HOME' and 'LOGIN' links. Below this is a main menu with categories like 'SPORTS HOME', 'SPORTS & TEAMS FIXTURES & RESULTS', 'SPORTS CALENDAR', 'NEWS', 'COMPETITIONS & EVENTS', 'PHOTOS & VIDEOS', 'ON TOUR', 'IN-HOUSE SPORT', 'SPORTS HISTORY', 'SPORTS MAP', and 'OPPONENT MAPS & LINKS'. The main content area is divided into several sections: 'FIXTURES' (listing events for May 20 and 21, 2022), 'SPORTS CALENDAR' (a calendar for May 2022), 'LOCATION' (a map of the school), and 'MAIN SPORTS CONTACT' (a table with contact details for Mr Stuart Oliver).

If you visit the same address on your mobile device you can save this link to your home screen thus creating an easy link to access on the move. Click the icon marked below left and drag up the menu on the right. Touch 'add to Home Screen'

This icon will appear on your home screen:

This source of information gives an up-to-date reference to most things sporting and is an excellent source of information on match day.

If you wish to see if your child has been selected you can look at the **teams sheets**. These are posted approximately 24 hours before a match and will appear at the end of the row as a blue torso silhouette. When you click on this you will be asked for the password to access this information. The password is **SedberghSport** (note the capital 'S's).

2. SOCS

Should you wish to see your child's sport and activity commitments and how they fit into their working week **you can now login to our Co-Curricular management system**. This is known as SOCS.

The pupils use this system to select their choices each term and it provides a 'one stop shop' for where they need to be at any given time and all from a phone or laptop.

Your login, described below, mirrors what they can see so that you can discuss the choices they have made with them and converse about the activities they have taken part in.

- To login you first need to activate your email (this will be the email address the school holds to communicate with you).
- Visit this link <https://www.socscms.com/login/236/parent> and **click the activate account link**.

Login

SOCS

- You will be sent an email shortly after (note: it can take a few minutes and it may end up in the 'junk folder' so be sure to check there too).
- **Click on the link included** and complete the password process.
- Return to the screen above and complete the Parent Login information.
- You will be given the option to 'Add to Home Screen', thus creating a webapp. You can then click on the icon which will take you directly to the login page.
- You are now able to see your child's **timetable** and **co-curricular calendar/choices**.
- Not only will their fixed commitments show, but fixtures will also appear when they are selected for a team (shown with a green 'flash' – see below).
- Note – the image below shows one week of the week's A and B timetable that operates at the Senior School.
