

TRANSPORT INFORMATION

We can make all arrangements for airport or rail station transfers for pupils travelling within our travel windows at the beginning and end of each session of school. These windows allow:

- arrival up to 24 hours before School starts
- departure up to 24 hours after School has finished.

Term dates and times are at:

<https://www.sedberghschool.org/senior/information/term-dates>

Any arrangements outside of these windows will need to be made with the pupil's guardians.

All requests for travel arrangements should be made using the Parent Portal at least two weeks prior to the day of travel via:

<https://www.sedberghschool.org/login>

For help in accessing the Parent Portal, please email parentportal@sedberghschool.org.

AIRPORT TRANSFERS

Most pupils fly to and from Manchester Airport where we will have a reception team on the ground during the travel windows. Transfer to and from Manchester will be at a set cost per trip in 2022-23 and will be reviewed annually. Transfer to and from other UK airports can be made with costs dependent on numbers of pupils and distance. Arrangements can also be made for the collection of unaccompanied minors, and where required a chaperone accompanied travel services for groups of young pupils from Madrid. Requests for this service should be sent to the travel officer below.

TRAIN STATION TRANSFERS

We can transfer pupils to and from Oxenholme and Garsdale train stations. Cost per trip will depend on the number of pupils travelling together.

CONTACT INFORMATION
